Title: Cyclopian Forces of Evil

Author: The Gatekeeper

[February 4, 2001]

Three Cyclopian Warriors
are camping in the
deserted lands. The
moons of Trammel and
Felucca have aligned
themselves in a strange
new way driving the
Cyclopian Warriors to
gather forces.

They seek to rally the
evil around them into a
great force and bring it
down upon Britannians.
You must stop the
Cyclopian Warriors before
they assemble their force.

Seek out the Cyclopian
Warriors, kill them, and
all that is evil in your
path.
